Welcome to SAREX 2009
Henderson Park, Snelling, Merced County
September 11-13, 2009

On behalf of the Merced County Sheriff's Office I would like to welcome you to SAREX 2009. It is a privilege to join National Park Service Chief Ranger Steve Shackleton, Office of Emergency, Law Enforcement Services Branch Deputy Chief Matt Scharper and Mariposa County Sheriff Brian Muller in co-hosting this important annual training event.

The Merced County Sheriff's Office is proud to partner with these agencies to offer a quality of training that is second to none. Our respective agencies across this great state rely heavily on both professional and volunteer search and rescue resources and have put in our curriculum the type of training experiences which will enhance your search and rescue skills.

We will be offering extensive courses throughout the next few days which will include "hands on" courses as well as the type of search and rescue scenarios you may encounter in your respective geographical areas.

Again, on behalf of all our law enforcement partners enjoy the beautiful scenery of Henderson Park. I look forward to speaking with each and every one of you during SAREX 2009.

Sincerely,

A handwritten signature in cursive script that reads 'Mark N. Pazin'.
